## ABOUT ME

---

Hello! I'm Muhammad Umar, a skilled Full Stack Web Developer specializing in PHP, Laravel, React JS, Next JS, and OpenAI technologies. With over 3 years of experience in web development, I'm dedicated to delivering high-quality solutions tailored to your needs.

My Skills:

Back-End Technologies:

**Laravel Framework:** Building dynamic web applications, including custom CMS, e-commerce platforms, and API integrations.

**PHP, MySQL, and MVC Architecture:** Proficient in core technologies driving the Laravel ecosystem, ensuring optimal performance and security.

Front-End Technologies:

**Proficient in HTML, CSS, JavaScript, React.js, and Next.js,** creating seamless user experiences complementing back-end functionality.

Services:

- ✓ **Tailored Web Development:** I specialize in crafting bespoke web solutions tailored to your business needs.
- ✓ **Performance Optimization:** Enhancing the speed and efficiency of existing Laravel applications for improved user experience.
- ✓ **Security and Code Quality:** Prioritizing secure and clean code to safeguard your application and enable future enhancements.
